## K.L.E. Society, Belagavi

Every Great Event, it has been well said, brings one absolute new thing into the world. Such an event was the starting of the K.L.E. Society in **1916** by seven dedicated teachers, popularly known as 'Saptarshis' and three generous patrons. Their mission was to provide education, to the children of the farming community who constitute a significant majority in Karnataka. Though modest and unadvertised was their act, yet it created a sensation in the educational history of this region. The environment today is totally different from the one in 1916, yet the Mission of the Founders of K.L.E. Society is pursued with the same zeal since **106 years** in the fulfillment of the vision of providing education to the needy in all spheres of human knowledge. With a strong network of **over 293 educational institutions** spread across Karnataka, part of Maharashtra and even in Delhi, the K.L.E. Society enjoys an unrivalled status. To advance the cause of education, the society has employed over **18,500** men and women committed to academic excellence, and has over **1,38,000** students on its roll. Further more hosting the K.L.E. Society today. The rush for admissions to all classes and courses right from K.G. to P.G. in professional as well as traditional streams of learning speaks of the high standard that the K.L.E. Society has been setting over the years.

The true spirit of democracy runs in the functioning of the K.L.E. Society. The Management of the Society is carried out effectively and ably by the Chairman of the Board of Management consisting of **15 members**. The President and Vice-Presidents guide the Chairman while the Life Members frame academic guidelines. The financial transparency is maintained through regular audit system.

If Lingaraj College speaks of the glory and rich heritage of the K.L.E. Society, its technological institutions overshadow and varied heritage. While internationally renowned **J. N. Medical College** brings the name and fame of the society in the limelight by the quality track record that it has set overseas, infrastructural far-superior ultra-modern, multi-speciality **2200 beds Dr. Prabhakar Kore Hospital and M.R.C. Belagavi**, adds to it.

In recognition of its world class standard the Government of India, on the recommendation of University Grants Commission, New Delhi has accorded the status of University as '**K.L.E. University, Belagavi**' to a unit of institutions in Health Sciences.

With right approach and long perspective, our Society has set a brand - 'nothing beats quality'.

It is a matter of great pride that the KLE Society celebrated its Centenary celebrations. Hon'ble Prime Minister Shri Narendra Modi addressed at the KLE Society's Centenary celebrations in 2016.

“His Leadership is a never ending Sources of energy”

**Dr. Prabhakar B. Kore**

Chairman - KLE Society
