LINGARAJ COLLEGE, BELAGAVI
(Autonomous)

Annual Report 2020-21

KLE Society's Lingaraj College is one of the prodigious and excellent centers of learning since 1916. Our institution is spread over twenty five acres of land. All the academic, cultural and sports activities take place in a serene, lush green ambience that keeps an individual mentally and physically fresh and active. The natural environs encourage students to perceive knowledge naturally well.

The year 2020-21 was equally active and enterprising year for the college with its resourceful associations, sportive faculty members and unstinted and wonderful support of the management, numerous academic and sports events were carried out successfully. Although, the global pandemic COVID-19 affected the smooth and active functioning of the college initially, but management took great measures to orient the faculties to take up online teaching successfully. Institution trained the faculty members through many online FDPs, Workshops that helped them to produce quality E- Content and reach out to the remotest places and carry out undisturbed teaching learning process.

At this occasion it becomes very important to acknowledge and express gratitude to our management for providing the entire necessary technical infrastructure within no time, so that the students do not remain deprived of gaining knowledge as they were physically distanced from the institute and teachers. Faculty members were made to explore a new world of technological tools to conduct online examinations and evaluation techniques.

The entire Lingaraj Family owe it's allegiance to the selfless donors, express our gratitude to the ever encouraging , protective and primitive Management and of course the young, enthusiastic and energetic students who never let us down and face all the challenges with a smile.

Every year has always been a year of great accomplishments. But due to the Covid-19 entire world had come to the stand still .Despite all the odds and difficulties Students and Faculties quickly adapted to the New Normal and adopted alternative technical tools to meet the academic challenges. All this was made possible only because of our envisioned and protective Management. Our sincere thanks to Management, KLE Society Officer Bearers of Local Governing Body, donors, beloved Principal Dr. B.M. Tejasvi, Faculty members and students for their support and cooperation in smooth and successful conduct of aforesaid activities.
